

Welcome to the first newsletter from **topclasscarpentry.com**. In this premier edition we would like to offer our members some extra special deals and introduce some of our exciting new product lines.

Recent additions to our collection include the **new range of LPD furniture**. This range has proven to be a very popular collection that is both affordable and stylish, featuring real wood veneers and high gloss lacquer finishes in both traditional and contemporary designs.

Great Deals On All Doors

As prices continue to rise, we at **topclasscarpentry.com** are trying to break the trend by offering some fantastic savings on all our ranges of **doors**. New stocks will be arriving shortly and the prices will be slightly higher, so **order now while stocks last to take advantage of these great prices**.

We also offer a range of top quality **hardware, handles, hinges, locks & latches** and a range of **draught excluders** to keep out the cold and save money on your heating bills.

Quality Worktops - Low Prices

We have a wide selection of **premium quality kitchen worktops** with offers on **laminated, solid wood, and solid surfacing**. Replacing your **kitchen worktops** is a cost effective way to give your kitchen a make-over without breaking the bank.

Our **kitchen worktops** are available in a wide range of styles and sizes, many are complimented with decor matched upstands, splashbacks, and laminate sheets ideal for covering existing panels and decor end units.

Beautiful Bathrooms

The latest innovation in **bathroom worktops** and **showerwall panelling** is available at **topclasscarpentry.com**. Cost effective, easy to install and maintain, the latest offerings from **Showerwall** and **Nuance** are all available at **topclasscarpentry.com**.

Choose from a stunning collection of premium quality **laminated bathroom worktops** and **wall-panels** guaranteed to turn that little room into a luxurious retreat to relax in.
